	Walking distance to/from Train Station	Walking distance to/from Hospital
Parkhotel Friedrichstraße	5 mins	10 mins
Hotel Heylingenstaedt	20 mins	15mins

Please bring Cash €, as we will be leveraging the University Clinic Cafeteria for lunch breaks.

**Any modifications on short notice, i.e. changes to hotel booking, cancellation and no-show might be subject to fees which will be charged in addition to the training fees.**

### How to get from Frankfurt Airport to Giessen.

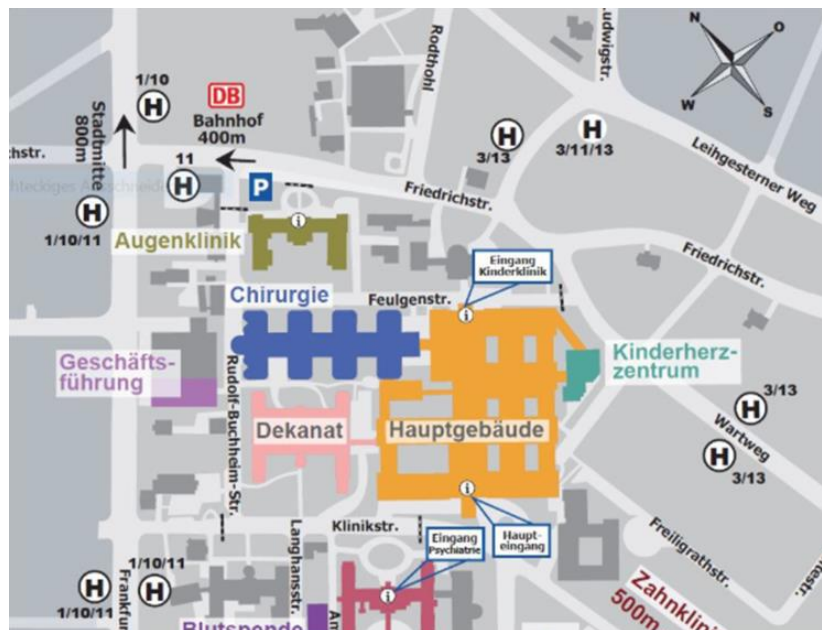

We highly recommend to download the RMV (Rhein-Main-Verkehrsverbund) App for local transportation (connection visibility, and booking) or check their local website ([www.rmv.de](http://www.rmv.de)) before arrival to get familiar with connections and travel times.

**In general, please expect a train commute between 60 to 90 mins with at least one change.** Starting at **Frankfurt (Main) Flughafen Regionalbahnhof**(Airport regional train station), your general direction is **Giessen Bahnhof**, changing at **Frankfurt (Main) Hauptbahnhof**(Main Station) During normal day times, trains leave every 30 mins in each direction.

You can take the lines S8, S9, RE2, RE3 between Frankfurt Main Station and Airport, and then RE30 or RB41 between Frankfurt and Giessen.

Street address of Giessen Bahnhof: Bahnhofstr. 102, 35390 Giessen

The map below shows the location of the main entrance (red arrow, Klinikstrasse) of the main building (yellow) of UKGM. Detailed directions can be found on the [UGKM website](#).

Your trainer will send you more detailed information regarding the meeting point for the first training day shortly before the event itself starts.
