Hotels listed above do not offer junior suites or kitchenettes. In general, the rooms have no equipment to prepare meals. There are restaurants at all localities, local style cuisine is predominant. Students may visit the factory's cafeteria for lunch (only prepaid guest cards). **Students who prefer certain diets** may want to rent a car, for the convenience of a broader choice of provision (See also 'Transportation').

Arrival by Airplane

The nearest airport is Nuremberg (NUE). You will have to take a taxi or train or drive to Kemnath with a rental car (about 100km distance).

Arrival by Train/Public Transport

Nearest stations are Kemnath/Neustadt (3km), Kirchenlaibach (12km).

Alternatively, arrival at the station Bayreuth Hauptbahnhof is possible. You would need to take a taxi from Bayreuth to Kemnath.

If you are arriving at Nuremberg Airport, you can take the subway (right outside the terminal) to Nuremberg main railway station (Nürnberg Hauptbahnhof). There are regional trains going from Nuremberg to Kemnath/Neustadt, Kirchenlaibach or Bayreuth regularly.

Taxi Pöllath (in Kulmain)

09642 92100

There are only a few Taxi operations in the near vicinity. Reservations can be made in advance.

Taxi from hotel to factory (depending on where you are staying): 15 - 20 Euro

Taxi from Nuremberg Airport to Kemnath (large distance): 150 - 200 Euro

Transportation

Students provide their own transportation from the hotels to the factory for the duration of the class.

There is no public transportation available at training hours.

Unfortunately there are no rental cars available in Kemnath. Therefore students need to arrange in advance to have either a car available or share rides with co-students. Depending on where you arrive, you may be able to rent a car there.

Rental Car

If you need a rental car and arrive at Nuremberg Airport, please have a look at the rental car services available there:

Expenses

You and your organization are responsible for all hotel expenses; therefore, a Siemens corporate credit card or other suitable payment arrangement should be planned for in advance.

What to Bring?

Laptop: The courses are paperless! This means you will need to bring a laptop to class. Please do not forget your power supply and a power adapter for Germany. If you do not bring your laptop, you may want to reschedule the course until you can get one. We do not have rental laptops.

Dosimeter: Bring your personal dosimeter to courses in Kemnath.

Safety

Security Badge: Due to current security measures, photo ID badges must be worn at all times at Siemens. We will assist you with this process upon your arrival, and we kindly ask that you turn badge in when you leave at the end of the course.

- **Dosimeter:** Bring your personal dosimeter to courses in Kemnath.
- **Shoes:** For safety reasons, no open-toe shoes or sandals may be worn in the facility.
- **Photography:** No photography is allowed within the Siemens building.
- **Personal Safety:** As you will be working on potentially dangerous equipment, please follow instructor and posted rules at all times.

Mechatronics from Kemnath to the world

Products from Kemnath are sent all over the world. Indeed, global partnerships and networks bring people from across the world to our location. That's why our meeting and conference areas are connected to the large cities of this world and beyond.

And that's also why we have placed an illustrative world map over the floor plan of our site and named the conference rooms after large cities in our various regions.
